What to expect when you get the vaccine
- Medical professionals from M Health Fairview will give the vaccine and walk you through the process.
- You need to get two doses to be protected. The schedule above indicates when you will take the second dose.
- You will be monitored for 15 minutes after you get the vaccine for any possible side effects.
- You will receive a vaccine card that will identify which vaccine you received (Pfizer). This is important for your second dose.
